

Action Plan: Stratford High School AY 2008 - 2009

Project Manager	Goal	Type of activity to be delivered in what manner	Resources needed	Projected number of students affected	Evaluation method (How will you measure results?)	Findings	Next Action Steps
Dr. Donna Huger, Guidance Director Stratford High School Guidance Department	Decrease by 20% the number of students indicating a need for assistance in "Making plans for after high school"	To provide career planning assistance to 100% of the sophomore students and their parents through the IGP sessions	ACT-PLAN assessment results Career plans survey	402	Baseline ACT-PLAN data for Sophomore students compiled in 10.2008 suggest that 46% of the students indicated a need for assistance in "making plans for after high school" Conduct IGP sessions from 10.2008 – 05.2009 Survey Sophomore advisory classes in 05.2009	21% (84 students) of the students indicated a need for additional assistance in "making after high school plans" 100% of Sophomore IGP's were completed 55% of parents attended 76% of the students rated their IGP session as somewhat to very helpful Assistance suggested by students included: <ul style="list-style-type: none"> • College Majors • College Searches • Scholarships, Career and Financial Planning • College Life 	Continue to market the use of the SC Personal Pathways program for at home use among students and parents Develop group guidance workshops to target specific identified areas of need as indicated by students

Target Group: Sophomore Class

Data that drove this decision: Recent data in the Trident Gap Analysis shows that the Trident Region's area schools report that 76% of the students are interested in starting now to prepare for a future career/job and 33% of the students were not familiar with the career clusters/career pathways available in their school district.
